CXT® BRUSHLESS

3 YEAR WARRANTY
LITHIUM-ION
TOOL & BATTERY

FEATURES

- Up to 700 cuts of 3/8" mild steel and 550 cuts of 3/8" stainless steel threaded rod with one 12V max CXT® 4.0Ah battery (battery not included)
- Compact design at only 7-1/8" long and weighs only 6.2 lbs. with battery (battery not included)
- The BL™ Brushless Motor eliminates carbon brushes, enabling the BL™ Motor to run cooler and more efficiently for longer life
- Integrated two-position threaded rod guide helps stabilize material for precise cuts
- L.E.D. light with afterglow illuminate the work area for increased visibility
- Retractable hook allows tool to remain close by, but not in the way
- Rubberized soft grip provides increased comfort on the job
- Equipped with shoulder strap hook for maximum portability
- Includes reversible double-edged cutting dies for twice the life of the blade
- On-board hex wrench storage for fast and convenient blade changes

PRODUCT HIGHLIGHTS

APPLICATIONS
Ideal for overhead cutting of installed threaded rod including 1/4" and 3/8" coarse thread sizes

PRODUCTIVITY
Automatic blade stop mechanism returns blade to open position once cut is complete

DESIGN
Spark-free cuts that are clean and burr-free for easy hand-threading of fastener

ERGONOMICS
Ergonomically designed handle provides a more comfortable hand position for less fatigue
